## SUSCOM | ABOUT

At Suscom we focus and strive to meet our client's demands, for this reason, our in-house facilities allow us to be flexible and give us greater control over quality.

We believe that design and innovation is the key to our success. Our new production facilities is the first of its kind, with the option of automated castor fitting allowing us to tailor each product to suit our clients requirements.

As a company focused on lowering our environmental impact, it is important that our products also incorporate and reflect this ethos. With all of this in mind we have modified and updated many products to make them 100% recyclable.
